Cabin Selection

Please assign me the best cabin available in the category I've selected.

Please leave my cabin unassigned so that I will be eligible to receive a complimentary upgrade.

Travel Insurance

It is highly recommended that every eligible traveler in your party purchases travel protection for your trip. An illness or accident can occur before or during any type of vacation. Such an event might cause you to cut short your cruise or cause your trip to be cancelled altogether.

Travel Documentation

US Citizens

Passports will be required for all U.S. citizens traveling to or from the United States via land, sea, and air--regardless of destination. Subject to U.S. Government amendment, U.S. and Canadian citizens 15 or younger with their parents consent may cross the U.S./Canadian border by land or sea with a certified copy of their birth certificate.

Non-US Citizens

All U.S. and Canadian residents (non-citizens) need both a valid Passport and a valid Alien Resident Card. If you are not a permanent resident of the US, you must provide a valid Passport and a valid, unexpired U.S. Multiple Re-Entry Visa. All non-US and non-Canadian citizens must also verify documentation requirements with US Immigration and a passport agency or the embassy or consulate of the countries in your cruise itinerary.
